JAPhA®
Journal of the American Pharmacists Association

2004 Index

Volume 44

This index to Volume 44 comprises an author index and a subject index.

Page ranges for individual issues are as follows:

January/February 1–112
March/April 113–304
May/June.....305–416
July/August 417–528
September/October.....529–640
November/December 641–752

Author Index

A

Abarca J
see Malone D et al., 279 (Abstract)
see Malone DC et al., 142–151 (Research)
Abarca J et al.
Concordance of Severity Ratings Provided in Four Drug Interaction Compendia, 136–141 (Research)
Abhyankar U et al.
Predicting and Understanding the Intention to Use Herbal Medicines Among Hispanic and Non–Hispanic Older Adults, 247 (Abstract)
Abraham J et al.
Branding Pharmaceutical Care Services Using the Brand Clarity Pyramid, 251 (Abstract)
Adams M et al.
A New Oral Opioid, Oxymorphone Extended Release, Does Not Affect Human Metabolic Enzymes CYP 2C9 and CYP 3A4, 271 (Abstract)
Single- and Multiple-Dose Pharmacokinetic and Dose-Proportionality Study of Oxymorphone Immediate-Release Tablets, 271–272 (Abstract)
Adkison J
see Gardner J et al., 265 (Abstract)
Agarwal S et al.
Factors Affecting Utilization of New Prescription Drugs, 284 (Abstract)
Generic Drug Utilization Patterns Among Elderly and Non-Elderly Individuals, 285 (Abstract)
Impact of Sustained-Release Line Extensions on Generic Drug Utilization, 287 (Abstract)
Agboh B et al.
Evaluating the Cost-Effectiveness of the Florida Medicaid Quality-Related Events Study: A Community Pharmacy Perspective, 262 (Abstract)
Ahdieh H
see Adams M, 271–272 (Abstract)
see Adams M et al., 271 (Abstract)
see Gimbel J et al., 230–231 (Abstract)
see Mcilwain H et al., 231 (Abstract)
see Slatkin N et al., 231 (Abstract)
see Walker D et al., 230 (Abstract)
Ahdieh H et al.
Oxymorphone Extended Release Provides Safe and Effective Analgesia for Cancer Patients: A Randomized, 236 (Abstract)
Ahrens R
Creation, Implementation, and Assessment of a Weight Management Elective Course in a Pharmacy Curriculum, 258 (Abstract)
see Cole R et al., 261 (Abstract)
see Patel H et al., 230 (Abstract)
Aikens J
see Chao J et al., 296 (Abstract)
Akala F et al.
Evaluation of Pharmacy Students' Attitudes and Interest on Administering Adult Immunizations as a Health Care Service, 263 (Abstract)
Akhtar A et al.
Assessing the Impact of a Community Pharmacy–Based Rapid HIV Prediagnostic Testing Program, 260 (Abstract)
Akinsowon W
see Rosiak B et al., 243 (Abstract)
Akiyode O et al.
Studying the Professional Interrelationship Between Community Pharmacists and Pharmacy Technicians, 249 (Abstract)
Aksamit CM
see Hung JC et al., 30–35 (Research)
Alemao E et al.
Lipid Management and Factors Affecting Goal Attainment in Latin America, 274–275 (Abstract)
Alexander J
see Lam A et al., 259–260 (Abstract)
Algozzine T
see Anzisi L et al., 248 (Abstract)
see Possidente C et al., 232 (Abstract)
Ali M
see Warren F et al., 302 (Abstract)
Ali M et al.
Medicine in the Time of Aulus Cornelius Celsus, 1st Century Rome Versus Medicine Today, 301 (Abstract)
Allison W
see Coffman R et al., 246 (Abstract)
Alsip D
see Glosner S et al., 250 (Abstract)
Alvarez G et al.
Comparing the Risk for Osteoporosis in Hispanic and Caucasian Women Based Upon Bone Density Measurements Obtained from Community Health Screenings, 240 (Abstract)
Ambrose PJ
Drug Use in Sports: A Veritable Arena for Pharmacists, 501–516 (Reviews)
Amerson A et al.
Educating Pharmacy Students About End-of-Life Care Through a Clerkship Rotation, 256 (Abstract)
Amruso N
Impact of Pharmaceutical Care: A Randomized, Controlled Trial of Blood Pressure Control in Hypertensive Patients, 235 (Abstract)
Amruso NA
Ability of Clinical Pharmacists in a Community Pharmacy Setting to Manage Anticoagulation Therapy, 467–471 (Research)
Amy F
see Slatkin N et al., 231 (Abstract)
Anderson LJ
Casus Belli, 546–550 (APhA 2004)
Anderson R
see Viswanathan H et al., 286 (Abstract)
Andrews E et al.
Therapeutic Risk Management Interventions: Feasibility and Effectiveness, 491–500 (Reviews)
Annis L
see Pinto S et al., 234 (Abstract)
Anonymous
2004 APhA Awards and Honors, 557–560 (APhA 2004)
APhA2004 Abstracts of Contributed Papers, 532 (Correction)
Journal of the American Pharmacists Association Guidelines for Authors, 102–105 (Features)
Journal of the American Pharmacists Association Reviewers—2003, 99–101 (Features)
Report of the 2004 APhA House of Delegates, 551–556 (APhA 2004)
Anzisi L
see Possidente C et al., 232 (Abstract)
Anzisi L et al.
Screening Patients for Risk of Nonsteroidal Anti-inflammatory Drug Induced Complications in Community Pharmacy Settings, 248 (Abstract)
APhA Strategic Directions Committee
Tablet Splitting: Evaluating Appropriateness for Patients, 324–325 (APhA Resource: Practice)
Aquilino ML
see Zillich AJ et al., 578–582 (Research)
Armaganijan D
see Alemao E et al., 274–275 (Abstract)
Armour CL et al.
Implementation and Evaluation of Australian Pharmacists' Diabetes Care Services, 455–466 (Research)
Armstrong E
see Malone D et al., 279 (Abstract)

Henry Arnitt Brown Dunning (1877–1962): Pharmacy Philanthropist and Father of the APhA Foundation (Worthen DB), 633–636 (Heroes of Pharmacy)
Amevive, see Alefacept
Analgesia
A New Oral Opioid, Oxymorphone Extended Release, Does Not Affect Human Metabolic Enzymes CYP 2C9 and CYP 3A4 (Adams M et al.), 271 (Abstract)
A Randomized, Double-Blind Trial of Low-Dose Oxymorphone Immediate Release (5 Mg) for Mild to Moderate Pain in Ambulatory Patients (Walker D et al.), 230 (Abstract)
Analgesic Efficacy of Oxymorphone Immediate Release in Postsurgical Orthopedic Pain: Results of a Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging Comparison with Oxycodone (Gimbel J et al.), 230–231 (Abstract)
Long-term Effectiveness and Safety of a New Oral Opioid, Oxymorphone Extended Release, for Moderate to Severe Cancer Pain (Slatkin N et al.), 231 (Abstract)
Long-Term Effectiveness and Safety of a New Oral Opioid, Oxymorphone Extended Release, for Moderate to Severe Osteoarthritis Pain (Mcilwain H et al.), 231 (Abstract)
Novel, Epidural, Sustained-Release Morphine Provides 48-Hour Postoperative Pain Relief (Viscusi E et al.), 275 (Abstract)
Oxymorphone Extended Release Provides Safe and Effective Analgesia for Cancer Patients: A Randomized (Ahdieh H et al.), 236 (Abstract)
Prolonged Epidural Analgesia with Single-Dose, Encapsulated Morphine Versus Standard Epidural Morphine for Postoperative Pain After Hip Surgery (Viscusi E et al.), 276 (Abstract)
Serving Chronic Pain Patients in the Millennium (Guilherme A et al.), 248–249 (Abstract)
Sustained-Release Epidural Morphine Reduces Postoperative PCA Fentanyl Use for 48 Hours After Low Abdominal Surgery (Gambling D et al.), 276 (Abstract)
The Development of a Pain Service by the Pharmacy Department in a University Medical Clinic (Jacobson S et al.), 249 (Abstract)
The Use of Patient-Controlled Analgesia With or Without Basal Infusion for Postorthopedic Surgery Pain Management (Phan T et al.), 269–270 (Abstract)
Tolerability and Effectiveness of Oxymorphone Extended Release in Opioid-Naive Patients with Chronic Pain (Hale M et al.), 231 (Abstract)
Animal health
Compounding for Animal Patients: Contemporary Issues (Lust E), 375–386 (Reviews)
Patients Large and Small: Role of the Pharmacist in Veterinary Medicine (Wick JY et al.), 319–323 (Features)
Animal-assisted therapy
Incorporation of Animal Therapy into the Pharmacy School Curriculum: Animal Therapy as an Adjunct to Pharmacotherapy in Clinical Pharmacy Practice (Coffman R et al.), 246 (Abstract)
Antibiotic overuse
Using Buzz Marketing to Promote Ideas, Services, and Products (Holdford DA), 387–396 (Tools for Advancing Pharmacy Practice)
Antibiotic resistance
Effect of a Pharmacist Educational Intervention on Patient Knowledge About Antibiotic Resistance and Appropriate Use in Adults (Rodis J et al.), 241 (Abstract)
Anticoagulants
Antithrombotic Therapy for Acute Coronary Syndromes (Spinler SA et al.), S14–S27 (Reviews)
Anticoagulation
Comparison of Anticoagulation Parameters Between Patients Seen at a Pharmacist-Managed Clinic and Routine Medical Care (Conner C et al.), 272 (Abstract)
The Challenge: Achieving Adequate Oral Anticoagulation in Oncology Patients with Deep Vein Thrombosis (Swenson C et al.), 236 (Abstract)
Antidepressant medications
Adherence to Antidepressant Medications (Krueger M et al.), 238–239 (Abstract)
Antidepressants
Prevalence of Antidepressant Use in Children and Adolescents: Who Prescribes and What Are the Diagnoses? (Legorreta A et al.), 298 (Abstract)
The Impact of Antidepressant Education and Monitoring by Community Pharmacists on Multiple Consumer Outcomes (Rickles N et al.), 295 (Abstract)
Antiplatelet agents
Antithrombotic Therapy for Acute Coronary Syndromes (Spinler SA et al.), S14–S27 (Reviews)
New Roles for Antiplatelet Agents in Treatment of Atherothrombotic Diseases (Bottorff MB), S4 (Viewpoint)
Secondary Prevention of Acute Coronary Syndromes (Dailey JH et al.), S28–S36 (Reviews)
Antithrombotic agents
Secondary Prevention of Acute Coronary Syndromes (Dailey JH et al.), S28–S36 (Reviews)
APhA–APPM
Advancing APhA's Mission, Promoting Innovative Pharmacy Practice (Joyce MC), 308–311 (Association Report)
Dawn of a New Health Care Delivery Model (Bennett MS), 420–422 (Association Report)
Debated Policies Crucial to Pharmacists' Ability to Advance Patient Care (Worrall TJ), 534 (Association Report)
Developing the Grassroots Advocate (Boyle C), 5–6 (Association Report)
Illinois Pharmacists Unite in Response to Canadian Drug Purchase Initiatives (Sauer C), 120–122 (Association Report)
Interdisciplinary Practice: Mission Impossible or Nirvana? (Herrier R), 651–654 (Association Report)
APhA–APRS
Advancing Patient Care: Embracing the Challenges Ahead (Holmes ER), 422–424 (Association Report)
Integrating Disciplines Provides More Bang for the Buck (Brownlee M), 654–655 (Association Report)
JPharmSci: An International Source for Answers to Critical Research Questions (Chambliss WG), 122–125 (Association Report)
Lobbying Can Lead to Acknowledgment as Health Care Providers (Lipowski E), 6–7 (Association Report)
Moving at the Speed of Science (Schommer JC), 537–538 (Association Report)
Science: an Active Ingredient in APhA (Tong TG), 311–313 (Association Report)
APhA–ASP
Changing How We Learn to Tie Our Shoelaces (Hubbard S), 657–658 (Association Report)
Future Pharmacists Have Many Questions to Ponder (Stamos E), 424–426 (Association Report)
Grassroots Lobbying Begins in Pharmacy School (Kim T), 8–9 (Association Report)
IPSF Allows Students to Administer Care on an International Level (Pedersen T), 125–126 (Association Report)
Our Mission…Our Moment: Share the Success…Developing Leadership and Professionalism in Pharmacy (Traynor AP), 313–316 (Association Report)
Student Pharmacists': House Policy Begins a New Era for APhA-ASP (Conway C), 538–540 (Association Report)
Aphrodisiac
Tonic Aphrodisiac (Worthen DB), 225 (Pharmacy Through the Ages)
Aprepitant
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
AREDS, see Age-Related Eye Disease Study
Arizona
A Five-Year Comparison Study of Arizona Pharmacists in Rural and Urban Counties (Eng H), 277 (Abstract)
Arthritis
Experience with a Worksite Educational Program on Arthritis and Musculoskeletal Disorders (Gianarkis D), 284 (Abstract)
Asheville Project
Implementing Motivational Strategies To Empower Patients in Diabetes Management (Heller K et al.), 245 (Abstract)
Asian American patients
Pharmacist Provision of Language-Appropriate Education for Asian Patients with Asthma (Odegard PS et al.), 472–477 (Research)
Aspirin
Diabetic Patients' Awareness of the American Diabetes Association's Guidelines Concerning Aspirin Therapy (Steiner G et al.), 241 (Abstract)
National Patterns of Aspirin Prophylaxis in Patients with Diabetes (Holness P et al.), 251 (Abstract)
Assays
A Quick and Simple HPLC Method for the Determination of Cryptolepine in a Commercial Sample of Cryptolepis sanguinolenta Herb Tea (Ononiwu I et al.), 271 (Abstract)
Bioassay for Direct Antimicrobial Activity of Lansoprazole Against Vaginal Lactobacilli (Rue K et al.), 272 (Abstract)
Association Report
Advancing APhA's Mission, Promoting Innovative Pharmacy Practice (Joyce MC), 308–311 (Association Report)

Our Mission…Our Moment: Share the Success…Developing Leadership and Professionalism in Pharmacy (Traynor AP), 313–316 (Association Report)
Science: an Active Ingredient in APhA (Tong TG), 311–313 (Association Report)
Student Pharmacists': House Policy Begins a New Era for APhA-ASP (Conway C), 538–540 (Association Report)
Asthma
Comparison of Pharmacy Refill History Versus Spirometry as an Indicator of Asthma Control in Community Pharmacy Practice (Dugan B et al.), 233–234 (Abstract)
Evaluation of Existing Patient Data from a Community Pharmacy-Based Asthma Program (Ward M et al.), 262–263 (Abstract)
Inspiratory Flow Through Dry-Powder Inhalers (DPI) in Asthmatic Children 2 to 12 Years Old (Monske M et al.), 277 (Abstract)
Pharmacist Provision of Language-Appropriate Education for Asian Patients with Asthma (Odegard PS et al.), 472–477 (Research)
Through a Self-Assessment Survey, at What Point of Severity of Symptoms, Does an Asthma Patient Seek Medical Care? (Heaton R et al.), 270 (Abstract)
Atazanavir sulfate
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Atenolol
A Confirmatory Factor Analysis of the Center for Epidemiologic Studies Depression Scale of Verapamil SR-Led and Atenolol-Led Hypertension Treatment Strategies (Wilson D et al.), 277 (Abstract)
Level of Depressive Symptoms Among Patients with a Prior History of Depression Treated with Verapamil SR-Led Versus Atenolol-Led Treatment Strategies (Ried L et al.), 274 (Abstract)
Atherogenic dyslipidemia
Management of Dyslipidemia in Patients with Metabolic Syndrome (Cziraky MJ), 478–490 (Reviews)
Atherosclerosis
Atherothrombosis: Epidemiology, Pathophysiology, and Prevention (Munger MA et al.), S5–S13 (Reviews)
Atherothrombosis
Atherothrombosis: Epidemiology, Pathophysiology, and Prevention (Munger MA et al.), S5–S13 (Reviews)
New Roles for Antiplatelet Agents in Treatment of Atherothrombotic Diseases (Bottorff MB), S4 (Viewpoint)
Peripheral Arterial Disease: Pathophysiology, Risk Factors, and Role of Antithrombotic Therapy (Bradberry JC), S37–S45 (Reviews)
Atomoxetine hydrochloride
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Attention-deficit/hyperactivity disorder
Adherence Measures of Psychostimulants Used in the Treatment of Attention-Deficit/Hyperactivity Disorder in Children and Adolescents (Sanchez R), 232 (Abstract)
Attitudes
Counseling Spanish-Speaking Patients: Atlanta Pharmacists' Cultural Sensitivity, Use of Language-Assistance Services, and Attitudes (Muzyk AJ et al.), 366–374 (Research)
Authors
Journal of the American Pharmacists Association Guidelines for Authors (Anonymous), 102–105 (Features)
Automation
Debated Policies Crucial to Pharmacists' Ability to Advance Patient Care (Worrall TJ), 534 (Association Report)
Effect of an Automated Prescription Filling System and Inspection Enhancement Tool on Dispensing Accuracy (Flynn E et al.), 283 (Abstract)
Moving at the Speed of Science (Schommer JC), 537–538 (Association Report)
Report of the 2004 APhA House of Delegates (Anonymous), 551–556 (APhA 2004)
Avonex, see Interferon beta-1a

B

Benzodiazepines
Evaluation of Benzodiazepine Utilization in a Family Medicine Office (Santee J et al.), 243 (Abstract)
Beta blockers
Depressive Symptoms Among Patients with a History of Depression Six Months After Initiating Beta-Blocker Treatment (Taylor M et al.), 280–281 (Abstract)
Bexxar, see Tositumomab and Iodine I-131 tositumomab
Bioterrorism
Establishment of a Pharmacist Consulting Team for Statewide Bioterrorism Preparedness (Feret B et al.), 257 (Abstract)
Blood pressure monitors
A Comparison of the Validity and Reliability of Automatic Blood Pressure Monitors (Warburton S et al.), 258 (Abstract)
Bone mineral density screening
Changing Behavior Towards Osteoporosis Prevention: Does Screening Location Matter? (Scolaro K et al.), 239–240 (Abstract)

Comparing the Risk for Osteoporosis in Hispanic and Caucasian Women Based Upon Bone Density Measurements Obtained from Community Health Screenings (Alvarez G et al.), 240 (Abstract)
Evaluation of Pharmacist Interventions in a Community Pharmacy–Based Osteoporosis Screening Program (Capka M), 263 (Abstract)
Impact and Feasibility of a Community Pharmacy Bone Mineral Density Screening and Education Program (Cerulli J et al.), 161–167 (Research)
Patient and Physician Response to Bone Mineral Density Measurement in Community Pharmacy (Mcfee J), 246 (Abstract)
Return on Investment Analysis for Bone Mineral Density (BMD) Screening (Patel H et al.), 230 (Abstract)
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT: Osteoporosis (Goode J-V et al.), 152–160 (Research)

Bortezomib
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)

Breast cancer, risk factors for
Implementation of a Breast Cancer Risk Assessment and Education Service in a Community Pharmacy (Bumgardner M et al.), 244–245 (Abstract)

Brodie, D.C.
Donald Crum Brodie (1908–1994): Pharmacy Theoretician (Worthen DB), 403–406 (Heroes of Pharmacy)

Bupropion
Pharmacist-Managed Tobacco Cessation Program in Veterans Health Administration Community-Based Outpatient Clinic (Dent LA et al.), 700–715 (Tools for Advancing Pharmacy Practice)

Buzz marketing
Using Buzz Marketing to Promote Ideas, Services, and Products (Holdford DA), 387–396 (Tools for Advancing Pharmacy Practice)

C

California
Assessing the State of Disease State Management Programs in Community Pharmacy Settings in California (Law A et al.), 278–279 (Abstract)

Canada
Illinois Pharmacists Unite in Response to Canadian Drug Purchase Initiatives (Sauer C), 120–122 (Association Report)

Cancer awareness
Cancer Awareness and Prevention Activities: Assessment of Pharmacists' Knowledge and Interest (Spruill WJ et al.), 94–98 (Notes)
Promoting Colorectal Cancer Awareness and Screening in a Rural Community Pharmacy Practice Setting (Dolin D et al.), 266–267 (Abstract)

Cancer prevention
Cancer Awareness and Prevention Activities: Assessment of Pharmacists' Knowledge and Interest (Spruill WJ et al.), 94–98 (Notes)

Cancer treatments
Emerging Treatments in Oncology: Focus on Tyrosine Kinase (erbB) Receptor Inhibitors (Hamid O), 52–58 (Reviews)

Cardiopulmonary resuscitation
Evaluation of Cardiopulmonary Resuscitation Certification Among Pharmacy Students (Patel S et al.), 230 (Abstract)

Cardiovascular disease
Eplerenone: Selective Aldosterone Antagonism in Management of Cardiovascular and Renal Disease (Brennan BJ et al.), 604–611 (Reviews)

Cardiovascular medicine
Antithrombotic Therapy for Acute Coronary Syndromes (Spinler SA et al.), S14–S27 (Reviews)
Atherothrombosis: Epidemiology, Pathophysiology, and Prevention (Munger MA et al.), S5–S13 (Reviews)
New Perspectives on the Pharmacotherapy of Ischemic Stroke (Bradberry JC et al.), S46–S57 (Reviews)
New Roles for Antiplatelet Agents in Treatment of Atherothrombotic Diseases (Bottorff MB), S4 (Viewpoint)
Peripheral Arterial Disease: Pathophysiology, Risk Factors, and Role of Antithrombotic Therapy (Bradberry JC), S37–S45 (Reviews)
Secondary Prevention of Acute Coronary Syndromes (Dailey JH et al.), S28–S36 (Reviews)

Careers
Perceptions of High School Students Toward Pharmacists (Mattingly L et al.), 228 (Abstract)
Pharmacy Career Opportunity Awareness Amongst High School Students (Jain B et al.), 228–229 (Abstract)

Case management
Creating the Capacity for Case Management in a Community Pharmacy (McDonough R et al.), 240 (Abstract)
Using the Outcomes Pharmaceutical Health Care Case Management System as a Data Collection Tool for Research (Zillich A et al.), 237 (Abstract)

Centers for Medicare & Medicaid Services
Medicaid Drug Utilization Review Annual Reports for Federal Fiscal Year 1999: Looking Back to Move Forward (Fulda TR et al.), 69–74 (Reviews)

Cerebral ischemia
New Perspectives on the Pharmacotherapy of Ischemic Stroke (Bradberry JC et al.), S46–S57 (Reviews)

Certification
Attitudes and Opinions on Continuing Education, Training, and Readiness to Assume New Professional Responsibilities by Certified Pharmacy Technicians (Jacobson S et al.), 257–258 (Abstract)
Value of Specialty Certification in Pharmacy (Pradel F et al.), 237 (Abstract)
White Paper: Value of Specialty Certification in Pharmacy (Pradel FG et al.), 612–620 (Reviews)

Chemotherapy
Adverse Effect Monitoring: Opportunity for Patient Care and Pharmacy Practice (Hermansen-Kobulnicky CJ et al.), 75–88 (Tools for Advancing Pharmacy Practice)
Expected Quality of Life and Cost Implications of R-CHOP and Radioimmunotherapy Regimens for Indolent Non-Hodgkin's Lymphoma (Chumney E et al.), 254 (Abstract)
Predicting Emetogenicity of New Cancer Chemotherapy Agents (Terenzi L et al.), 236 (Abstract)
Standardized Chemotherapy Order Forms (Sano H et al.), 254 (Abstract)

Chronic disease
Advancing Pharmacy Practice Through Research: A 2004 Perspective (Pharmacy Practice Research Roundtable), 621–628 (Commentary)

Cialis, see Tadalafil

Cisapride
Safety and Tolerability of Tegaserod in Irritable Bowel Syndrome Management (Berardi RR), 41–51 (Reviews)

Clinical pathways
Development of a Clinical Pathway to Optimize Epoetin Therapy in the Treatment of Anemia in Chronic Renal Failure Patients (Canney T), 252–253 (Abstract)

Clinical pathways, see also Practice guideline

Clinical pharmacy
Donald Crum Brodie (1908–1994): Pharmacy Theoretician (Worthen DB), 403–406 (Heroes of Pharmacy)
Evaluation of the Impact of a Clinical Pharmacist on Family Medicine Residents' Drug Knowledge Based on a National Standardized Exam (Craft K et al.), 263–264 (Abstract)

Clozapine
Diabetes, Body Weight, and Lipid Abnormalities: An Evaluation of Outpatients with Severe Mental Disorders Receiving Clozapine (Olson D et al.), 241 (Abstract)

CMS, see Centers for Medicare & Medicaid Services

Collaboration
Collaborative Practice Agreements: Perceptions of Pharmacists and Physicians (Causey L et al.), 233 (Abstract)
Collaborative Working Relationships Between Pharmacists and Physicians: An Exploratory Study (Brock KA et al.), 358–365 (Research)

Collaborative practice
Advancing Pharmacy Practice Through Research: A 2004 Perspective (Pharmacy Practice Research Roundtable), 621–628 (Commentary)
Evaluation of Benzodiazepine Utilization in a Family Medicine Office (Santee J et al.), 243 (Abstract)
Pharmacist Collaborative Practice in Hospitals (Bharmal M et al.), 289–290 (Abstract)
Pharmacists' Views of Developing Collaborative Working Relationships with Physicians (Nevins J et al.), 290 (Abstract)
Pharmacy Students' Expectations of Collaborative Working Relationships (CWRs) Among Pharmacists, Physicians, and Patients (Stehling D et al.), 251 (Abstract)
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT: Osteoporosis (Goode J-V et al.), 152–160 (Research)

Collaborative Working Relationship Model
Collaborative Working Relationships Between Pharmacists and Physicians: An Exploratory Study (Brock KA et al.), 358–365 (Research)

College students
College Students and Stress: What Is the Connection? A Humanistic Outcomes Assessment (White A et al.), 279 (Abstract)

Commentary
Advancing Pharmacy Practice Through Research: A 2004 Perspective (Pharmacy Practice Research Roundtable), 621–628 (Commentary)
Continuing Professional Development in Pharmacy (Rouse MJ), 517–520 (Commentary)

Common cold
Efficacy of Zinc Against Common Cold Viruses: An Overview (Hulisz D), 594–603 (Reviews)

Community and ambulatory practice
A Cross-Sectional Survey of Community Pharmacists and Level of Comfort in Answering Questions About Herbs (Cormier L), 258–259 (Abstract)
A Survey of Pharmacists' Activities Supporting Medication Adherence (Possidente C et al.), 232 (Abstract)
Ability of Clinical Pharmacists in a Community Pharmacy Setting to Manage Anticoagulation Therapy (Amruso NA), 467–471 (Research)
An Evaluation of a Microalbuminuria Screening and Education Program in Patients with Diabetes in a Community Chain Pharmacy (Olbricht T), 259 (Abstract)
An Evaluation of Senior Citizen Patient Compliance in a Community Grocery Chain Pharmacy After Initiating a Refill Reminder System (Morales C et al.), 259 (Abstract)
An Evaluation of the Management of Hyperlipidemia in Community Based Outpatient Clinics with A Centrally Based Clinical Pharmacist ("Virtual Clinical Pharmacist") (Evanko T et al.), 232–233 (Abstract)
Assessing the Impact of Performing Body Composition Analysis on Overweight and Obese Individuals in a Community Pharmacy (Paulson K), 260–261 (Abstract)
Assessing the State of Disease State Management Programs in Community Pharmacy Settings in California (Law A et al.), 278–279 (Abstract)
Assessment of a Community Pharmacy-Based Disease-State Management Program (Cuellar D et al.), 256 (Abstract)
Casus Belli (Anderson LJ), 546–550 (APhA 2004)
Characteristics of New Independently Owned Community Pharmacies in NC (Boyd J et al.), 226–227 (Abstract)
Community Pharmacists' Counseling About Metformin-Associated Lactic Acidosis (Eugenio KR et al.), 629–630 (Notes)
Community Pharmacists' Perceptions of Computerized Drug–Drug Interaction Alerts (Malone D et al.), 279 (Abstract)
Comparison of Pharmacy Refill History Versus Spirometry as an Indicator of Asthma Control in Community Pharmacy Practice (Dugan B et al.), 233–234 (Abstract)
Creating the Capacity for Case Management in a Community Pharmacy (McDonough R et al.), 240 (Abstract)
Drug Use in Sports: A Veritable Arena for Pharmacists (Ambrose PJ), 501–516 (Reviews)
Effect of Education and Counseling Provided by a Clinical Pharmacist on Outpatients with Cancer (Wongwiwatthananukit S et al.), 241–242 (Abstract)
Effects of a Pharmacy-Based Physical Activity Education Program Using Step-Counters (Cole R et al.), 261 (Abstract)
Evaluation of Existing Patient Data from a Community Pharmacy-Based Asthma Program (Ward M et al.), 262–263 (Abstract)
Evaluation of Medication Adherence in a Local Community Pharmacy (Rosiak B et al.), 243 (Abstract)
Examining the Relationships Within and Presence of the Service Profit Chain in Independent Community Pharmacy (Bonnarens J et al.), 284 (Abstract)
HIPAA Compliance Procedures: Impact and Perceptions Among Community Pharmacists (Kavookjian J et al.), 286 (Abstract)
Implementation and Evaluation of Australian Pharmacists' Diabetes Care Services (Armour CL et al.), 455–466 (Research)
Implementation of a Breast Cancer Risk Assessment and Education Service in a Community Pharmacy (Bumgardner M et al.), 244–245 (Abstract)
Implementation of a Lipid Management Program in a Community Pharmacy (Nesbitt K et al.), 245 (Abstract)
Men's Health Initiative Risk Assessment Study: Effect of Community Pharmacy-Based Screening (Boyle TC et al.), 569–577 (Research)
Morbidity and Medication Preferences of Headache Patients in a Community Pharmacy (Wenzel R et al.), 246 (Abstract)
Motivation and Job Satisfaction of Community Pharmacists Involved with Pharmaceutical Care (Swensgard L), 250 (Abstract)
National Survey of Pharmacists About Coronary Heart Disease, Hypercholesterolemia, Nonprescription Statin Therapy, and Pharmacists' Services (McKenney JM et al.), 562–568 (Research)
Outcomes of a Diabetes Care Program in a Chain Community Pharmacy Setting (Patel U et al.), 264–265 (Abstract)
Outcomes of a Pharmacist-Managed Tobacco-Cessation Program in a Private, Retail Pharmacy Clinic (Haskins J et al.), 265 (Abstract)
Pharmacist Managed Diabetes Clinic: Improving Outcomes for Underprivileged Hispanic Women (Gardner J et al.), 265 (Abstract)
Provision of Weight Management Services by a Pharmacist in a Grocery Store Community Pharmacy (Hussein S et al.), 267 (Abstract)
Reduction of Prescribing Errors in Community Pharmacy (Cottrell J et al.), 248 (Abstract)
Resources for Today's Compounding Pharmacist (Birnie C), 526 (PharmacoInformatics)
Simple Additions to the Pharmacy Waiting Area May Increase Patient Satisfaction (Cheng CM), 630–632 (Notes)
Studying the Professional Interrelationship Between Community Pharmacists and Pharmacy Technicians (Akiyode O et al.), 249 (Abstract)
Success Rate of a Pharmacist-Managed Smoking Cessation Program in a Community Pharmacy Setting (Free H et al.), 268 (Abstract)
The Pharmacist's Role in Public Health: A Survey of Health Department Officials (Cottrell J et al.), 249–250 (Abstract)
Use of Dietary Supplements in Ambulatory Rural Patients With and Without Diabetes (Thompson JB et al.), 718–720 (Notes)
Value of Voluntary Reporting: 'It Takes a Village' (Santell J), 427–428 (Viewpoint)
You've Got to Believe! (Herbert DA), 542–545 (APhA 2004)

Community health center
A Business Model for a Self-Sustaining Pharmacy Program in a Community Health Center (Stubbings J et al.), 226 (Abstract)
A Reproducible Model for Disease State Management and Pharmaceutical Access from a Federally Funded Urban Community

Health Center (Talsania S), 232 (Abstract)
Evaluation of Pharmacist Interventions in Diabetic Patients from Rural Community Health Centers (Pinto S et al.), 234 (Abstract)
Community health management services
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT: Osteoporosis (Goode J-V et al.), 152–160 (Research)
Community pharmacists
Medication Error Reporting by Community Pharmacists in Vermont (Kennedy AG et al.), 434–438 (Research)
Community pharmacy
Impact and Feasibility of a Community Pharmacy Bone Mineral Density Screening and Education Program (Cerulli J et al.), 161–167 (Research)
Pharmacy Benefit Manager 'Spread': A Reasonable, Rational, Realistic Business Practice (Latanich T), 10–11 (Viewpoint)
The Spread: Pilot Study of an Undocumented Source of Pharmacy Benefit Manager Revenue (Garis RI et al.), 15–21 (Research)
Complementary and alternative medicine, see Dietary supplements
Compounding
Clinical Experience with a Pharmacist-Compounded Naltrexone Implantable Pellet in Opioid Addicts (Baker J et al.), 272 (Abstract)
Compounding for Animal Patients: Contemporary Issues (Lust E), 375–386 (Reviews)
Report of the 2004 APhA House of Delegates (Anonymous), 551–556 (APhA 2004)
Resources for Today's Compounding Pharmacist (Birnie C), 526 (PharmacoInformatics)
Computerized physician order entry
PDA Prescribing in Outpatient Settings: Barriers and Solutions (Galt K et al.), 289 (Abstract)
Congestive heart failure
Eplerenone: Selective Aldosterone Antagonism in Management of Cardiovascular and Renal Disease (Brennan BJ et al.), 604–611 (Reviews)
Consumers
Consumer Attitudes Toward the Overall Value of the Pharmacist as a Drug Information Source (Rollins B et al.), 240 (Abstract)
Direct-to-Consumer Advertising of Prescription Drugs: Measuring Effectiveness and Educational Value Across Different Media (Sullivan D), 281–282 (Abstract)
Judging a Book by Its Cover: The Predicament with Canadian Pharmacy Advertisements and American Consumers (Ballentine A et al.), 287 (Abstract)
The Effect of Direct-to-Consumer Ad Content on Belief Tenacity: A Study of Appeals, Argument Types, and Judgments (Jalnawala N et al.), 294 (Abstract)
The Relationship Between Wanting and Doing: The Effects Of Goal Compatibility on Consumers' Responses to Prescription Drug Advertising (Sumpradit N et al.), 296 (Abstract)
Continuing education
Analysis of the Growth Trends in Industry-Based Postgraduate Training Programs for Pharmacists (Lam A et al.), 259–260 (Abstract)

Moving at the Speed of Science (Schommer JC), 537–538 (Association Report)
Report of the 2004 APhA House of Delegates (Anonymous), 551–556 (APhA 2004)
Medication therapy management
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT: Osteoporosis (Goode J-V et al.), 152–160 (Research)
Medication Therapy Management Services
Advancing Pharmacy Practice Through Research: A 2004 Perspective (Pharmacy Practice Research Roundtable), 621–628 (Commentary)
Medications
Importation of Prescription Medications: Experiences, Opinions, and Intended Behaviors of U.S. Community Pharmacists (Pickard AS et al.), 666–672 (Research)
Pharmacist Provision of Language-Appropriate Education for Asian Patients with Asthma (Odegard PS et al.), 472–477 (Research)
Medications, cost of
Providing Medications to Underserved Populations Utilizing 340B (Reid C et al.), 252 (Abstract)

Medications, unavailability of
The Unavailability of Prescribed Medications in the Community Pharmacy Setting (Rodriguez I et al.), 252 (Abstract)
Memantine hydrochloride
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Meningococcal vaccine
Off to College: Tuition, Textbooks, Dormitory Gear, and Immunization (Hayney MS), 524–525 (Vaccine Update)
Menopause
Women's Use of Information Sources in the Treatment of Menopause (Jackowski R et al.), 237–238 (Abstract)
Men's health
Impact on Men's Health: Co-administration of a Standardized Screening Tool and Direct Patient Care Services (Hammond J et al.), 264 (Abstract)
Men's Health Initiative Risk Assessment Study: Effect of Community Pharmacy-Based Screening (Boyle TC et al.), 569–577 (Research)
Mental health
Predicting the Treatment of Mental Health Problems—Comparisons Between Logistic Regression and CHAID Models (Lin S et al.), 291 (Abstract)
Mequinol/tretinoinc
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Metabolic syndrome
Management of Dyslipidemia in Patients with Metabolic Syndrome (Cziraky MJ), 478–490 (Reviews)
Metformin
Community Pharmacists' Counseling About Metformin-Associated Lactic Acidosis (Eugenio KR et al.), 629–630 (Notes)
Metoclopramide
Tardive Dyskinesia Risks and Metoclopramide Use Before and After U.S. Market Withdrawal of Cisapride (Shaffer D et al.), 661–665 (Research)
Assessing Drug Safety and Consequences of Drug Withdrawals (Mamdani M), 659–660 (Viewpoint)
Miglustat
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Military pharmacy
"Always and Everywhere"—Quinine in the American Civil War (Flannery M), 300 (Abstract)
Minerals
Efficacy of Zinc Against Common Cold Viruses: An Overview (Hulisz D), 594–603 (Reviews)
Minnesota
Osteoporosis Beliefs and Antiresorptive Medication Choices: Results of a Survey in Minnesota (Cline R et al.), 288 (Abstract)
Mobile pharmacy
Improving Health Among Rural Montanans: Mobile Pharmacist-Conducted Disease Screening in Frontier Communities (Stratton T et al.), 245 (Abstract)
Monitoring
Pharmacist Care Plans and Documentation of Follow-up Before the Iowa Pharmaceutical Case Management Program (Becker C et al.), 350–357 (Research)
Monitoring tools
Adverse Effect Monitoring: Opportunity for Patient Care and Pharmacy Practice (Hermansen-Kobulnicky CJ et al.), 75–88 (Tools for Advancing Pharmacy Practice)
Monoamine oxidase inhibitors
Counseling Monoamine Oxidase Inhibitor Patients (Wenzel R et al.), 252 (Abstract)
Morphine
Novel, Epidural, Sustained-Release Morphine Provides 48-Hour Postoperative Pain Relief (Viscusi E et al.), 275 (Abstract)
Prolonged Epidural Analgesia with Single-Dose, Encapsulated Morphine Versus Standard Epidural Morphine for Postoperative Pain After Hip Surgery (Viscusi E et al.), 276 (Abstract)
Sustained-Release Epidural Morphine Reduces Postoperative PCA Fentanyl Use for 48 Hours After Low Abdominal Surgery (Gambling D et al.), 276 (Abstract)
Multiple sclerosis
Predicting Discontinuation of Treatment Among Patients with Multiple Sclerosis: An Application of the Transtheoretical Model of Change (Berger B et al.), 291 (Abstract)
Predicting Treatment Discontinuation Among Patients with Multiple Sclerosis: Application of the Transtheoretical Model of Change (Berger BA et al.), 445–454 (Research)

N

Naltrexone
Clinical Experience with a Pharmacist-Compounded Naltrexone Implantable Pellet in Opioid Addicts (Baker J et al.), 272 (Abstract)
Namenda, see Memantine hydrochloride
Natural products
Factors Affecting Dietary Supplement Resource Selections in Drug Information Centers (Shields KM et al.), 716–718 (Notes)
National Survey of Dietary Supplement Resources at Drug Information Centers (Shields KM et al.), 36–40 (Research)
Nausea
Incidence and Management of Antidepressant-Induced Nausea: Experience with Duloxetine (Gonzales J et al.), 274 (Abstract)
Nebraska
Forecasting the Impact on COX-2 NSAID Utilization in a Medicaid Program Using Prior Authorization Criteria (Vuchetich P et al.), 285 (Abstract)
Needs assessment
Performing a Pharmacy Care Service Needs Assessment in an Independent Community Pharmacy (Cinelli E et al.), 265 (Abstract)
Neuralgia, postherpetic
Gabapentin: A Pooled Analysis of Adverse Events from Three Postherpetic Neuralgia Clinical Trials (Parsons B et al.), 253 (Abstract)
New drugs
Emerging Treatments in Oncology: Focus on Tyrosine Kinase (erbB) Receptor Inhibitors (Hamid O), 52–58 (Reviews)
Factors Affecting Utilization of New Prescription Drugs (Agarwal S et al.), 284 (Abstract)
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Niacin
Management of Dyslipidemia in Patients with Metabolic Syndrome (Cziraky MJ), 478–490 (Reviews)
Nitazoxanidec
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Nomenclature
What's In a Drug Name? (Wick JY), 12–14 (Features)
Non-Hodgkin's lymphoma
Expected Quality of Life and Cost Implications of R-CHOP and Radioimmunotherapy Regimens for Indolent Non-Hodgkin's Lymphoma (Chumney E et al.), 254 (Abstract)
Nonprescription drugs
Over-the-Counter Medication Labels for Blind Consumers (Pawaskar M et al.), 227–228 (Abstract)
Resources for Safe Over-the-Counter Medication Use (Dugan BD et al.), 110 (PharmacoInformatics)
Nonprescription medications
Assessment of the Consumer's Self-Care and Over-the-Counter Medication Knowledge With and Without Pharmacist Intervention in a Community Pharmacy Population (Downing J et al.), 261 (Abstract)
Evaluation of Online Drug References for Identifying Over-the-Counter Solid Oral Dosage Forms (Weaver SJ et al.), 694–699 (Research)
External Tagging Practices on OTC Medication Products: Potential Risk and Liabilities for Pharmacists (Pawaskar M et al.), 298–299 (Abstract)
National Survey of Pharmacists About Coronary Heart Disease, Hypercholesterolemia, Nonprescription Statin Therapy, and Pharmacists' Services (McKenney JM et al.), 562–568 (Research)
New OTC Drugs and Devices 2003: A Selective Review (Newton GD et al.), 211–225 (Reviews)
Understanding Over-the-Counter Drug Use and Misuse in HIV-Infected Patients (Ngo C et al.), 270 (Abstract)
Nonsteroidal anti-inflammatory drugs
Screening Patients for Risk of Nonsteroidal Anti-inflammatory Drug Induced Complications in Community Pharmacy Settings (Anzisi L et al.), 248 (Abstract)
North Carolina
Characteristics of New Independently Owned Community Pharmacies in NC (Boyd J et al.), 226–227 (Abstract)
Development and Implementation of a Web-Based Tool to Alert, Document, and Compensate Consultant Pharmacists Under a Polypharmacy Drug Use Review Program (Trygstad T et al.), 256 (Abstract)
Drug Therapy Cost Savings and Quality Initiatives Directed to Medicaid Recipients in North Carolina (Trygstad T et al.), 282–283 (Abstract)
Nosebleed
Effect of Pharmacist Education on Patient Knowledge of Nosebleed Management: An Anticoagulation Clinic Intervention (Hassenplug K et al.), 242 (Abstract)
Notes
Cancer Awareness and Prevention Activities: Assessment of Pharmacists' Knowledge and Interest (Spruill WJ et al.), 94–98 (Notes)
Community Pharmacists' Counseling About Metformin-Associated Lactic Acidosis (Eugenio KR et al.), 629–630 (Notes)
Disposition of Pharmaceutical Samples from a Private Medical Clinic (Peterson MC et al.), 397–398 (Notes)
Genetic Testing: The Community Pharmacist's Perspective (Sansgiry SS et al.), 399–402 (Notes)
Simple Additions to the Pharmacy Waiting Area May Increase Patient Satisfaction (Cheng CM), 630–632 (Notes)
NSAIDs, see Nonsteroidal anti-inflammatory drugs
Nuclear pharmacy
Deficiencies of Product Labeling Directions for the Preparation of Radiopharmaceuticals (Hung JC et al.), 30–35 (Research)
Enhanced Liver Uptake of Tc-99m–Labeled Red Blood Cells During Gastrointestinal Bleed Scintigraphy Using Transfused RBC Compared to Autologous RBC (Melchior W et al.), 254 (Abstract)
Organization of Lymphoscintigraphy Protocols (Beauvais M et al.), 254–255 (Abstract)
Preparation Of [C-11]-CFT for PET Measurement of Cerebral Dopamine Transport Activity (Moerlein S et al.), 255 (Abstract)
Quality Control of [F-18]FACBC: A Non-Natural Amino Acid Tumor Imaging Agent (Crowe R et al.), 255 (Abstract)
Radiopharmacists' Satisfaction with Their Education/Training, Job Satisfaction, and Professional Practice Patterns: Results of a National Survey (Wittstrom K et al.), 255 (Abstract)
Stability of Filtered Tc-99m Sulfur Colloid (Ponto J), 255–256 (Abstract)
White Paper: Value of Specialty Certification in Pharmacy (Pradel FG et al.), 612–620 (Reviews)
Nurses
Prevalence of Substance Use by Pharmacists and Other Health Professionals (Kenna GA et al.), 684–693 (Research)
Nutraceuticals
Comparison of Ease of Swallowing of Dietary Supplement Products for Age-Related Eye Disease (Brotherman DP et al.), 587–593 (Research)
Nutrition
Evaluation of the Effectiveness of Computer-Generated Meal Planning with Behavioral Counseling Sessions to Promote Weight Loss (Devizia R et al.), 263 (Abstract)
Nutrition support pharmacy
White Paper: Value of Specialty Certification in Pharmacy (Pradel FG et al.), 612–620 (Reviews)
Nutritional supplements
Use of Dietary Supplements in Ambulatory Rural Patients With and Without Diabetes (Thompson JB et al.), 718–720 (Notes)

O

Obesity
Assessing the Impact of Performing Body Composition Analysis on Overweight and Obese Individuals in a Community Pharmacy (Paulson K), 260–261 (Abstract)
Evaluation of the Effectiveness of Computer-Generated Meal Planning with Behavioral Counseling Sessions to Promote Weight Loss (Devizia R et al.), 263 (Abstract)
New OTC Drugs and Devices 2003: A Selective Review (Newton GD et al.), 211–225 (Reviews)
Provision of Weight Management Services by a Pharmacist in a Grocery Store Community Pharmacy (Hussein S et al.), 267 (Abstract)
Supplemental Products Used for Weight Loss (Lenz TL et al.), 59–68 (Reviews)
Weight Management in a Pharmacist-Run Clinic: Patient Satisfaction and Outcomes (Michalcik L et al.), 270 (Abstract)
Ohio
Survey of Pharmacists Desire and Readiness for Disease State Management in Ohio (Dorsch M et al.), 249 (Abstract)
Oklahoma
Comparing Oklahoma Medicaid Rx Reimbursement Rate Versus the Office of Inspector General's Report of Acquisition Cost (Phung Q et al.), 279–280 (Abstract)
Olanzapine
Rapid Onset of Absorption with Olanzapine Orally Disintegrating Tablets (Houston J et al.), 253–254 (Abstract)
Omalizumab
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)
Oncology
A Study of Factors Related to Patients' Sharing of Side Effect and Symptom Self-Monitoring Information with Their Oncologists (Hermansen-Kobulnicky C), 277–278 (Abstract)
Adverse Effect Monitoring: Opportunity for Patient Care and Pharmacy Practice (Hermansen-Kobulnicky CJ et al.), 75–88 (Tools for Advancing Pharmacy Practice)
Emerging Treatments in Oncology: Focus on Tyrosine Kinase (erbB) Receptor Inhibitors (Hamid O), 52–58 (Reviews)
The Challenge: Achieving Adequate Oral Anticoagulation in Oncology Patients with Deep Vein Thrombosis (Swenson C et al.), 236 (Abstract)
Oncology pharmacy
White Paper: Value of Specialty Certification in Pharmacy (Pradel FG et al.), 612–620 (Reviews)
Organizational commitment
Pharmacists' Organizational Commitment: Affective, Continuance, and Normative (Kahaleh A et al.), 290 (Abstract)
The Effects of Pharmacists' Positions on Empowerment and Organizational Behaviors (Kahaleh A et al.), 294–295 (Abstract)
Osteoporosis
An Evaluation of Managing the Risk of Glucocorticoid-Induced Osteoporosis (McDonough R et al.), 278 (Abstract)
Combination Therapies for Osteoporosis (Freemand TR), 119 (Letters)
Combination Therapies for Osteoporosis (Jamal SA), 119 (Letters)
Evaluation of Pharmacist Interventions in a Community Pharmacy–Based Osteoporosis Screening Program (Capka M), 263 (Abstract)
Impact and Feasibility of a Community Pharmacy Bone Mineral Density Screening and Education Program (Cerulli J et al.), 161–167 (Research)
Medication Utilization Review of Alendronate (Seah J et al.), 235 (Abstract)
Osteoporosis Beliefs and Antiresorptive Medication Choices: Results of a Survey in Minnesota (Cline R et al.), 288 (Abstract)
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT:

Osteoporosis (Goode J-V et al.), 152–160 (Research)
Resorptive Drug Use Patterns Among Minnesota Females: Results of a Statewide Survey (Farley J et al.), 292–293 (Abstract)
Target Intervention Program to Promote Calcium Supplement Use in Community Pharmacy (Cinelli E et al.), 268 (Abstract)

Outcomes
Pharmacist Care Plans and Documentation of Follow-up Before the Iowa Pharmaceutical Case Management Program (Becker C et al.), 350–357 (Research)

Outcomes data
Using the Outcomes Pharmaceutical Health Care Case Management System as a Data Collection Tool for Research (Zillich A et al.), 237 (Abstract)

Overactive bladder
A Utilization Review of OAB Agents in a Wisconsin Medicaid Population (Conner C et al.), 232 (Abstract)

Overweight
Supplemental Products Used for Weight Loss (Lenz TL et al.), 59–68 (Reviews)

Oxymorphone
A New Oral Opioid, Oxymorphone Extended Release, Does Not Affect Human Metabolic Enzymes CYP 2C9 and CYP 3A4 (Adams M et al.), 271 (Abstract)
A Randomized, Double-Blind Trial of Low-Dose Oxymorphone Immediate Release (5 Mg) for Mild to Moderate Pain in Ambulatory Patients (Walker D et al.), 230 (Abstract)
Analgesic Efficacy of Oxymorphone Immediate Release in Postsurgical Orthopedic Pain: Results of a Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging Comparison with Oxycodone (Gimbel J et al.), 230–231 (Abstract)
Long-term Effectiveness and Safety of a New Oral Opioid, Oxymorphone Extended Release, for Moderate to Severe Cancer Pain (Slatkin N et al.), 231 (Abstract)
Long-Term Effectiveness and Safety of a New Oral Opioid, Oxymorphone Extended Release, for Moderate to Severe Osteoarthritis Pain (Mcilwain H et al.), 231 (Abstract)
Oxymorphone Extended Release Provides Safe and Effective Analgesia for Cancer Patients: A Randomized (Ahdieh H et al.), 236 (Abstract)
Single- and Multiple-Dose Pharmacokinetic and Dose-Proportionality Study of Oxymorphone Immediate-Release Tablets (Adams M et al.), 271–272 (Abstract)
Tolerability and Effectiveness of Oxymorphone Extended Release in Opioid-Naive Patients with Chronic Pain (Hale M et al.), 231 (Abstract)

P

Pain, chronic
Serving Chronic Pain Patients in the Millennium (Guilherme A et al.), 248–249 (Abstract)

Palonosetron hydrochloride
New Drugs of 2003 (Hussar DA), 168–210 (Reviews)

Parathyroid hormone
Combination Therapies for Osteoporosis (Freemand TR), 119 (Letters)
Combination Therapies for Osteoporosis (Jamal SA), 119 (Letters)

Paroxetine
Comparison of Sexual Functioning in Patients Receiving Duloxetine or Paroxetine: Acute and Long-term Data (Gonzales J et al.), 272–273 (Abstract)
Weight Changes During Long-term Treatment with Duloxetine and Paroxetine (Gonzales J et al.), 276–277 (Abstract)

Patents
Analysis of the Patent Life of New Molecular Entities Approved by the FDA Between 1980 and 2001 (Seoane E et al.), 226 (Abstract)
Determinants of Patenting in the U.S. Pharmaceutical Industry Based on Recent CAFC Case Law (Rumore M), 298 (Abstract)

Patient acceptance
Pharmacists' Perceptions and Concerns About Becoming Immunization Providers and Issues Affecting Patients' Acceptance of Community Pharmacist Providers (Johnson P et al.), 266 (Abstract)

Patient advocacy groups
The Evolving Role of Patient Advocacy Groups in Improving Health and Health Care (Lee S et al.), 229 (Abstract)

Patient assistance programs
Improving Indigent Patient Medication Adherence Through Pharmacist Interventions Using Manufacturer Patient Assistance Programs (Hoyt C), 245–246 (Abstract)
One Student's Experience at an Indigent Care Clinic (Greedy A et al.), 644 (Letters)
Potential Cost Savings at an Indigent Care Clinic by Maximizing Patient Assistance Programs (Lindsey C et al.), 229 (Abstract)

Patient care
Advancing Patient Care: Embracing the Challenges Ahead (Holmes ER), 422–424 (Association Report)

Patient counseling
Assessment of Medication Nonadherence and Disease State Knowledge in a Community Pharmacy (Self T et al.), 250–251 (Abstract)
Community Pharmacists' Counseling About Metformin-Associated Lactic Acidosis (Eugenio KR et al.), 629–630 (Notes)
Counseling Monoamine Oxidase Inhibitor Patients (Wenzel R et al.), 252 (Abstract)
The Evaluation of Pharmacists' Attitudes Towards Providing Smoking Cessation Counseling in a Chain Pharmacy Setting (Hendrickson J et al.), 268 (Abstract)

Patient education
Assessing Public Knowledge of Safe and Appropriate Use of Acetaminophen (Dyer A et al.), 260 (Abstract)
Community Pharmacists' Use of Internet Resources Containing Patient Education Materials (Cruse E et al.), 261 (Abstract)
Effect of Education and Counseling Provided by a Clinical Pharmacist on Outpatients with Cancer (Wongwiwatthananukit S et al.), 241–242 (Abstract)
Effect of Pharmacist Education on Patient Knowledge of Nosebleed Management: An Anticoagulation Clinic Intervention (Hassenplug K et al.), 242 (Abstract)
Evaluation of a Community Pharmacy Nutritional Education Program for Patients with Diabetes (Dinh O et al.), 242 (Abstract)
Experience with a Worksite Educational Program on Arthritis and Musculoskeletal Disorders (Gianarkis D), 284 (Abstract)
Hypercholesterolemia: A Survey of Patients' Understanding of the Condition and its Treatment (Ong C et al.), 234 (Abstract)
Impact of Diabetes Education and Management on Patient Outcomes (Assam A et al.), 234–235 (Abstract)
Knowledge and Attitudes About Smoking Cessation Among Pharmacy Technicians (Zillich AJ et al.), 578–582 (Research)
Simple Additions to the Pharmacy Waiting Area May Increase Patient Satisfaction (Cheng CM), 630–632 (Notes)
Talking to Pharmacists About Diabetes: How to Ask About Monitoring Clinical Targets (Guirguis L et al.), 293 (Abstract)
The Impact of Antidepressant Education and Monitoring by Community Pharmacists on Multiple Consumer Outcomes (Rickles N et al.), 295 (Abstract)
The Impact of Community Pharmacists' Intervention on Patients' Lipid Profiles, Knowledge of Disease State, and Quality of Life (Taylor C et al.), 269 (Abstract)
The Impact of Pharmacist Consultation for Lifestyle Modification in Prehypertensive Subjects in a Community Pharmacy (Patthanacharoenphon D et al.), 269 (Abstract)

Patient follow-up
Pharmacist Care Plans and Documentation of Follow-up Before the Iowa Pharmaceutical Case Management Program (Becker C et al.), 350–357 (Research)

Patient incentive
Evaluation of an Incentive Program on Adherence Rates in a Community Practice Setting (Frasco A et al.), 262 (Abstract)

Patient outcomes
Do Diabetic Patients' Medication Use Beliefs and Perceived Abilities Vary by Actual, Preferred, and Potential Sources of Medication Help? (Worley-Louis M et al.), 282 (Abstract)
Hypertension Outcomes Through Blood Pressure Monitoring and Evaluation by Pharmacists (Home Study) (Zillich A et al.), 286–287 (Abstract)
Retrospective Assessment of Long-Term Outcomes in a Community-Based Pharmaceutical Care Program (Leighty J et al.), 267 (Abstract)

Patient referral
Regional Osteoporosis Screening, Referral, and Monitoring Program in Community Pharmacies: Findings from Project ImPACT: Osteoporosis (Goode J-V et al.), 152–160 (Research)

Patient registries
Therapeutic Risk Management Interventions: Feasibility and Effectiveness (Andrews E et al.), 491–500 (Reviews)

Patient safety
Concordance of Severity Ratings Provided in Four Drug Interaction Compendia (Abarca J et al.), 136–141 (Research)
Drug–Drug Interactions: Where Do We Go From Here? (Juurlink DN), 128–134 (Viewpoint)
Identification of Serious Drug–Drug Interactions: Results of the Partnership to Prevent Drug–Drug Interactions (Malone DC et al.), 142–151 (Research)
Medication Error Reporting by Community Pharmacists in Vermont (Kennedy AG et al.), 434–438 (Research)

Patient satisfaction
Implementation and Evaluation of a Smoking Cessation Program Facilitated by Community Pharmacists (Wilhelm M et al.), 264 (Abstract)
Patient Expectations, Perceptions on Performance and Satisfaction with Pharmacist Directive Guidance (Stroud L et al.), 288 (Abstract)
Patients' Evaluation of Care Following a Denial of an Advertisement-Related Prescription Drug Request: The Role of Expectations, Symptom Severity and Physician Decision-Making Style (Shah M et al.), 289 (Abstract)
The Unavailability of Prescribed Medications in the Community Pharmacy Setting (Rodriguez I et al.), 252 (Abstract)
Weight Management in a Pharmacist-Run Clinic: Patient Satisfaction and Outcomes (Michalcik L et al.), 270 (Abstract)

PBM, see Pharmacy benefits management
The Spread: Pilot Study of an Undocumented Source of Pharmacy Benefit Manager Revenue (Gais RI et al.), 15–21 (Research)

Pediatrics
Vaccine Safety: No Link Between Thimerosal and Autism (Hayney MS), 725–726 (Vaccine Update)

Peer review
Journal of the American Pharmacists Association Reviewers—2003 (Anonymous), 99–101 (Features)

Zinc
Efficacy of Zinc Against Common Cold Viruses: An Overview (Hulisz D), 594–603 (Reviews)

United States Postal Service Statement of Ownership, Management, and Circulation
(Required by 39 U.S.C. 3685)

1. Publication title: ***Journal of the American Pharmacists Association***
2. Publication number: **1544-3191**
3. Filing date: **10/7/04**
4. Issue frequency: **Bimonthly**
5. Number of issues published annually: **6**
6. Annual subscription price: **$395–$495**
7. Complete mailing address of known office of publication: **2215 Constitution Ave., NW, Washington, DC 20037-2985**
8. Complete mailing address of headquarters or general business offices of publisher: **Same**
9. Full names and complete mailing addresses of publisher, editor, and managing editor: **Publisher—Ken Senerth, American Pharmacists Association, 2215 Constitution Ave., NW, Washington, DC 20037-2985; Editor—L. Michael Posey, *JAPhA*, 2215 Constitution Ave., NW, Washington, DC 20037-2985; Managing Editor—Not applicable.**
10. Owner: **American Pharmacists Association, 2215 Constitution Ave., NW, Washington, DC 20037-2985**
11. Known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amounts of bonds, mortgages, or other securities: **None**
12. Tax status (*For completion by nonprofit organizations authorized to mail at special rates*): **The purpose, function, and nonprofit status of this organization and the exempt status for federal income tax purposes have not changed during the preceding 12 months.**
13. Publication title: ***Journal of the American Pharmacists Association***
14. Issue date for circulation data below: **July/August 2004**

15. Extent and nature of circulation	Average No. Copies Each Issue During Preceding 12 Months	Actual No. Copies of Single Issue Published Nearest to Filing Date
a. Total no. copies *(net press run)*	25,160	23,337
b. Paid and/or requested circulation		
(1) Sales through dealer and carriers, street vendors, and counter sales *(not mailed)*	0	0
(2) Paid or requested mail subscriptions *(include advertisers' proof copies and exchange copies)*	22,353	21,252
c. Total paid and/or requested circulation *(sum of 15b(1) and 15b(2))*	22,353	21,252
d. Free distribution by mail *(samples, complimentary, and other free)*	0	0
e. Free distribution outside the mail *(carriers and other means)*	1,000	0
f. Total free distribution *(sum of 15d and 15e)*	1,000	0
g. Total distribution *(sum of 15c and 15f)*	23,353	21,252
h. Copies not distributed		
(1) Office use, leftovers, spoiled	1,807	2,085
(2) Returns from news agents	0	0
i. Total *(sum of 15g, 15h(1), and 15h(2))*	25,160	23,337
Percentage paid and/or requested circulation *(15c/15g x 100)*	96%	100%

16. Publication of statement of ownership: **Will be printed in the November/December 2004 issue of this publication**
17. I certify that all information furnished on this form is true and complete. I understand that anyone who furnishes false or misleading information on this form or who omits material or information requested on the form may be subject to criminal sanctions (including fines and imprisonment) and/or civil sanctions (including multiple damages and civil penalties). ***Ken Senerth, Publisher 10/4/04***
